The reason(s) for the decision to refuse permission for the development is/are:

1. The proposed development, by virtue of the bulk, scale and massing of the buildings coupled with the tight spacing to the boundaries and existing frontage buildings and the lack of opportunity for meaningful landscaping and amenity space, would result in a cramped overdevelopment of the site which would be harmful to the character of the locality. The proposal would therefore be contrary to Policies Ho9, Ho13 and Pc13 of the Reigate and Banstead Borough Local Plan 2005, Policy CS4 of the Reigate and Banstead Core Strategy 2014 and the provisions of the Framework in relation to "Requiring Good Design".

Please remove any site notice that was displayed on the site pursuant to the application.
